INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
**Council on Alcohol and Drug Abuse
for Greater New Orleans**

We have audited the accompanying statements of financial position of **Council on Alcohol and Drug Abuse for Greater New Orleans (CADA)** as of June 30, 2005 and 2004, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of **CADA's** management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Council on Alcohol and Drug Abuse for Greater New Orleans** as of June 30, 2005 and 2004, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT
(CONTINUED)

To the Board of Directors of
Council on Alcohol and Drug Abuse
for Greater New Orleans
Page 2

In accordance with Government Auditing Standards, we have also issued a report dated, August 25, 2005 on our consideration of CADA's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of CADA taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**COUNCIL ON ALCOHOL AND DRUG ABUSE
FOR GREATER NEW ORLEANS
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 - Summary of Significant Accounting Policies:

General

The **Committee on Alcoholism and Drug Abuse for Greater New Orleans** was created by Articles of Incorporation dated July 27, 1960, and amended April 30, 1970 and November 1, 1991, to operate exclusively for charitable, educational, and scientific purposes, including the making of distributions to organizations that qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue Code. On May 22, 1997, **the Committee on Alcoholism and Drug Abuse for Greater New Orleans** had established its operating name as the **Council on Alcohol and Drug Abuse for Greater New Orleans (CADA)**.

The mission of **CADA** is to prevent the misuse of alcohol and other drugs in order to promote and support healthy individuals and families, and safe communities. **CADA's** mission is achieved through education, collaboration, advocacy, referral and information services. **CADA** believes that in order to accomplish this mission they must:

1. Provide age-appropriate, culturally sensitive information and educational programs;
2. Provide opportunities for inter-agency collaboration and the free exchange of information and ideas;
3. Advocate for public policy changes; and
4. Provide treatment referral information to individuals and families in need of services.

NOTE 1 - Summary of Significant Accounting Policies, Continued:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of **CADA** and changes therein are classified and reported as follows:

Unrestricted Net Assets

Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets

Net assets that are subject to donor-imposed stipulations that may or will be met, either by actions of **CADA** and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Furniture and Equipment

Furniture and equipment are stated at cost. Additions, renewals, and betterments that add materially to productive capacity or extend the life of an asset are capitalized. Expenditures for maintenance and repairs which do not extend the life of the applicable assets are charged to expense as incurred. Upon retirement or disposal of an asset, the asset and accumulated depreciation accounts are adjusted accordingly. Any resulting gain or loss is included in the statement of activities.

NOTE 1 - Summary of Significant Accounting Policies, Continued:

Furniture and Equipment, Continued

Depreciation of the equipment is provided over the estimated useful lives of the assets (five to ten years) on a straight-line basis.

Income Taxes

No provision is made for income taxes, as **CADA** is exempt from income tax as a not-for-profit organization operated under Code Section 501(c)(3) of the Internal Revenue Code of 1986.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

Statement of Cash Flows

For the purpose of the statement of cash flows, **CADA** considers time deposits and all highly liquid instruments purchased with maturities of three months or less to be cash equivalents.

FOR GREATER NEW ORLEANS**
NOTES TO THE FINANCIAL STATEMENTS, CONTINUED

NOTE 1 - Summary of Significant Accounting Policies, Continued:

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions and Grants

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Grants from private and governmental agencies are recorded when CADA is entitled to the funds.

Deferred Revenue

CADA reports as deferred revenue grants received earlier than the time for revenue recognition.

NOTE 2 - Pension Plan:

CADA has a defined contribution plan which covers substantially all full time employees. Annual contributions are discretionary with the Board of Directors, but may not exceed the maximum amount deductible for federal tax purposes. Contributions for the years ended June 30, 2005 and 2004 were \$24,315 and \$22,121.

NOTE 3 - Facility Lease:

CADA leases office space under operating leases. For the years ended June 30, 2005 and 2004, facility lease expense amounted to \$60,859 and \$57,012, respectively. Future minimum lease payments for these leases are as follows:

<u>Year Ending June 30,</u>	
2006	\$54,866
2007	<u>38,663</u>
Total future minimum lease payments	<u>\$93,529</u>

NOTE 4 - Fair Values of Financial Instruments:

The fair values of financial instruments have been determined utilizing available market information and appropriate valuation methodologies. CADA holds the carrying amounts of cash and cash equivalents, and unconditional promises to give to approximate fair value.

NOTE 5 - Furniture and Equipment:

Furniture and equipment are stated at cost as follows:

	<u>2005</u>	<u>2004</u>
Furniture and equipment	\$ 34,938	\$ 33,696
Less: Accumulated depreciation	<u>(28,811)</u>	<u>(23,336)</u>

NOTE 6 - Contingencies:

Grants and contracts with funding sources often require fulfillment of certain conditions as set forth in the terms of the instrument. Failure to fulfill the conditions could result in the return of funds to the grantors. Although, the return of funds is a possibility, the Board of Directors deems the contingency unlikely since CADA has agreed to comply with grantors provisions.

NOTE 7 - Net Assets Released from Restrictions:

At June 30, 2005 and 2004, net assets in the amounts of \$199,703 and \$195,248 were released from donor restrictions by satisfying time restrictions specified by donors as follows:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
**Council on Alcohol and Drug Abuse
for Greater New Orleans**

We have audited the financial statements of **Council on Alcohol and Drug Abuse for Greater New Orleans (CADA)** (a nonprofit organization) as of and for the year ended June 30, 2005, and have issued our report thereon dated August 25, 2005, except for NOTE 11, as to which the date is October 24, 2005. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered **CADA's** internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether CADA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
WITH REQUIREMENTS APPLICABLE TO EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors of
Council on Alcohol and Drug Abuse
for Greater New Orleans

Compliance

We have audited the compliance of **Council on Alcohol and Drug Abuse for Greater New Orleans (CADA)** (a nonprofit organization) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2005. **CADA's** major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of **CADA's** management. Our responsibility is to express an opinion on **CADA's** compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about **CADA's** compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of **CADA's** compliance with those requirements.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
WITH REQUIREMENTS APPLICABLE TO EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133, CONTINUED

In our opinion, CADA complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2005

Internal Control Over Compliance

The management of CADA is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered CADA's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts, and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the finance committee, management, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
